

Mary Dean's C of E Primary School and Nursery - Reception – Spring 1 2024

As Geographers we will know that:

*Know that maps are useful to help us find our way around our school grounds.

*Know that our school is in Tamerton Foliot (a village), in the city of Plymouth.

*Know that some countries are different from those in which we live and use different forms of transport.

*Know that there are many ways to travel to places.

We will know how:

*Know how to recognise landmarks around our school on a map.

*Know how to talk about familiar places outside and around our school grounds.

*Know how to recognise and talk about what is the 'same' and what is 'different' when we are looking at 2 different places and comparing these.

*Know how I travel to school and where I live.

Vocabulary we will learn and use:

Map, landmark, school, Plymouth, Tamerton Foliot, village, city, country, same, different, travel, live.

Key Themes:

Where do I live?

Getting to school

Using a map to find ...

Transport in different countries

Transport – old and new

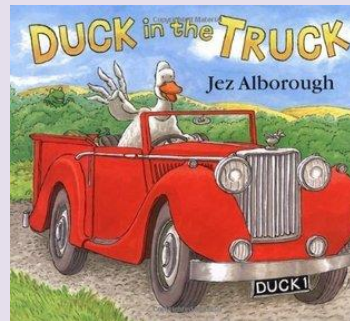

Inventing transport for the future

Focus Text:

Duck in the truck.

Jez Alborough

As Historians we will know that:

*Know that transport has changed over time

*Know that people invented new ways of travelling

We will know how:

*Know how to discuss the changes in travel from the past to modern day

*Know how to sort pictures to show how transport has changed over time.

Vocabulary we will learn and use:

Transport, time, change, travel, past, invented, old, new
